FILE UPLOAD

Upload a file for deep analysis

Drop any suspicious file directly. We run static analysis, dynamic sandbox detonation, and multi-engine scanning — without it ever touching your machine.

DROP ZONE

suspicious_invoice.pdf.exe
2.4 MB

- File received & validated
- Static analysis complete
- Sandbox detonation running...
- Multi-engine scan
- Generating report

SCAN LIMITS

Max file size	256 MB
Scan timeout	120 seconds
File retention	Never stored
Results kept	30 days
Scans per day	Unlimited

Files are never stored.

Uploaded files are analyzed in memory and immediately discarded. Only the scan result metadata is retained.
